1/ Introduction

It's our absolute pleasure to warmly welcome you into our Tarantism Dance Company family. Our team is thrilled to see many familiar faces return to the studio and even more excited to see some new faces join our community. We have created this one-stop handbook to hopefully shed some light on how things will run throughout the year as well as answer a lot of questions you may have before the year begins. Please make sure you read through the handbook so you know everything you need to know about our fun year of dance ahead!

2 / Vision, Mission & Values

To start us off, it's important to us that all of our families know our vision, our mission and the philosophy that encompasses everything we do both inside and outside of our classes. This is a vision that is shared and demonstrated by the directors, teachers and staff members at our studio and it is the driving force behind every interaction with our students and their families and every decision we make.

Our Vision

To inspire our dancers to work hard, dream big, have confidence and achieve their full potential in dance and life through an endless source of positive energy.

Our Mission

To provide the highest quality dance education through fun, interactive and age appropriate classes, helping our students to find and achieve their full potential.

Our Values

Respect; for ourselves, for our teacher and for each other.

Love; for the art of dance, for the teachers who inspire us, for the people who support us and for ourselves.

Community; the feeling of togetherness developed by common interests or goals.

Inclusivity; dance is for everyone and we cheer each other on.

Innovation; building the confidence to achieve what has never been done before.

Technique; to ensure safe and confident progression.

Hard Work; consistent effort to achieve all of our goals.

Performance; to experience the thrill of it.

Fun; dancers are proof that serious dedication and hard work is FUN!

3/ Registration

Before lacing up those dance shoes, it's important that all students and/or parents – whether returning or new - fill out and sign a registration form so we can ensure we have the most up-to-date contact information for you. This information includes your registration form, waiver agreement, membership agreement, electronic signature agreement, payment information and refund/cancellation policy.

You can register in person at the studio or online on our website www.tarantismdance.com.

Our registration fee is \$140 per student and must be paid in full at time of registration*. Make sure you get your payment in and sign up for auto-pay on your dance studio parent portal as failure to pay your registration fee may result in late fees and/or losing your place in the class.

We are more than happy to accommodate trial classes for existing students who are wanting to add on a new style of dance. Please contact us if you would like to try a new class and we will happily fit you in for a trial (provided the class isn't full).

*Delayed payment of the registration fee is available as a pre-registration bonus during pre-registration times only.

4/ Communication

For convenience, our primary means of communication is via email. You will receive regular newsletters and important information via email so please make sure you have provided the studio with an up-to-date email address that is regularly checked. We are happy to include multiple email addresses per family. Don't forget to add our email address tarantismdance@gmail.com to your contacts so we don't end up in the dreaded Spam folder!

Our most important piece of communication is our weekly updates. These will be a short video sent out at the beginning of each week throughout the year by email highlighting any important information and events for the week. If you take 60 seconds out of your week to watch the weekly update we guarantee you'll know everything that's happening at TDC!

5/ Important Dates

We understand wholeheartedly how busy the lives and schedules of our dance families can get as the year rolls on, so we have tried to get as many of our important dates organized and ready for you as possible so you can plan other commitments. Other dates will be added to our newsletters and weekly updates as the information becomes available.

Below we have listed some of our most important "Save the Dates" with more information to be communicated via our newsletters and weekly updates as we get closer to the events. If you know ahead of time that your family will be unable to attend these events, please let us know as soon as possible.

No classes take place on all of the following days: Labour day, Truth & Reconciliation Day, Thanksgiving day, Halloween, Remembrance day, Christmas Break, Louis Riel day, Spring break, Good Friday, Easter Sunday, Victoria Day, Canada Day and Terry Fox Day.

Classes may also be cancelled if severe weather is an issue. Parents will be notified by 3:00pm on their scheduled class day if classes are cancelled. Classes generally run on days when there is severe weather unless our instructors are unable to safely make it to class. Please make the best decision for you and your family as to whether or not it is safe for you to get to class.

TDC is not responsible for any injuries or issues as a result of severe weather.

TDC will do their best to provide families with sufficient notice whenever classes are cancelled.

Cancelled classes will not be refunded. Tarantism Dance Company will make every effort possible to reschedule cancelled classes if more than 2 of the same classes have been cancelled within the season. We have built in 2 cancellation days to account for any unexpected closures (weather, facility issues, etc.). Ex: If Mini Ballet A is cancelled on October 1 & October 14 we will reschedule 1 class. If Mini Ballet A is only cancelled on October 1 no classes will be rescheduled.

Tarantism Dance Company reserves the right to cancel any class or program that does not meet the participant minimum.

7/Code of Conduct

To ensure the smooth, safe running of Tarantism Dance Company and an enjoyable experience by all, below you will find our code of conduct. As always we are open to feedback, so if any of the requirements outlined below are unclear or concerning, please contact us to discuss further. Following a formal meeting, we do reserve the right to dismiss or take disciplinary action on any students or parents who breach our studio's code of conduct.

Families who do not comply with their fee payment obligations will not be able to participate in classes/performances/events until fee payment obligations are resolved. External debt collection may occur when fees remain overdue and this will be at the expense of the client.

No classes (including private lessons) or teachers are to be disturbed unless it is an emergency. Parents are not to approach teachers or students during class and if messages or food/drink needs to be passed on to a student, it must be done through a Tarantism Dance Company staff member. All parents must wait in the waiting areas or outside of the studios until classes have been dismissed except for Creative Movement classes.

We are unable to take responsibility for our students before or after their scheduled classes and it is the responsibility of the parent to ensure their child is picked up and dropped off on time and by the right person. In the case of an emergency or unavoidable delay, please contact the studio immediately to inform us of the situation so we can keep your child calm and safe until they can be collected. Tarantism Dance Company is not responsible for students before their class starts or after it ends.

Non-Performance Classes These classes are made for kids who are interested in dance but don't want to perform at our winter showcase or year end recitals. Performance Company (Ages 3+)

Only half of being a dancer is made up of what you learn in class, the other half is made up of the experiences you have on stage. The more performance opportunities dancers have the more they are able to apply the fulfilling benefits they'll discover through performing in their day to day life. This is where performance company comes in! Company members take weekly technique classes, attend group rehearsals and have several additional performance opportunities throughout the year in our local communities.

Our performance company also has the opportunity to travel bi-annually. Travel opportunities range from performances within Canada to ones in the United States, Europe and beyond. All travel opportunities are strictly optional.

On off travel years our performance company dancers ages 6+ have the opportunity to join us at Beyond The Stage Camp. At Beyond The Stage Camp our dancers will have the opportunity to bring the life skills and lessons that they've learnt through dance into new settings at Camp Cedarwood as well as learn even more life skills that are just as important so that they are successful on stage and beyond.

Underlying all the performances and technique are the life lessons learned through dance. TDC dancers will learn leadership skills, build confidence, practice teamwork, master goal setting & time management and show respect, inclusivity and love for others. Best of all, dance keeps kids out of trouble :)

13/ Attendance

Dancing in a group takes a lot of teamwork and it is near impossible to choreograph and practice group dances if dancers cannot rely on each other. It is also very difficult to progress and continue learning new skills when dancers are missing from their class as instructors have to back track each week. If every dancer in a class only misses 2-3 weeks we don't ever get to practice as a full group until we're onstage. So, please make attending class as much of a priority as possible. We understand that life happens sometimes nevertheless our instructors work very hard to create class plans and choreography for their classes and we would very much appreciate your effort in this endeavor so we can make sure every dancer reaches their full potential and looks amazing on stage.

If you know ahead of time that your child will be absent due to holidays/vacations, commitments or school trips, please let us know ahead of time so the class impact is minimal. If your child is too unwell to attend class, we ask that you inform us as soon as you can so they can let the teachers know and preparations can be made to catch up on any missed work. Absences can be sent to tarantismdance@gmail.com
