

The Ignite Team.....

Our **Ignite Team** is an opportunity for any TDC dancer taking **2 or more classes ages 6+** to experience the excitement of competing at a **local competition (within 1 hour of Beausejour)**! This program allows dancers to work in **solos, duets, trios, or small groups**, giving them personalized training and a chance to shine in a competitive environment.

How It Works

To join the Ignite Team, dancers will:

- ✔ **Fill out an application form and pay the initial \$60 payment by May 15, 2026**
- ✔ **Attend a placement class in June**

What Happens at the Placement Class?

At the placement class, dancers will showcase their skills so we can cast **solos, duets, trios, or small groups that** are a great fit for them. This ensures that every dancer gets the **best possible experience**, with choreography, music and other dancers that suit their strengths and challenge them to be the best they can be.

Choreography Sessions & Cleaning Rehearsals

Ignite Team members will have:

✨ **Choreography sessions in August & September** to learn their numbers (these will be scheduled based on dancer, choreographer and studio availability)

-Solos will have 3 hours to learn the choreography

-Duets & trios will have 4 hours to learn the choreography

-Small Groups will have 5 hours to learn the choreography

✨ **4 group cleaning sessions** with other Ignite solos, duets, trios, and small groups of similar levels.

✨ **Open Studio Time before competition** to independently practice in a quiet, dedicated space.
