

Dress Code

- Our dress code as explained below is required to be implemented fully by every dancer in every class at Tarantism Dance Company.
- Our dress code is made for the dancers safety and well being as well as to enhance their abilities and technique as a dancer.
- It is the responsibility of the parents/guardians and dancers to make sure they/their dancer is dressed according to the dress code prior to entering class.
- No gum, candy or jewelry.
- Dancers who are not dressed according to our dress code will not be permitted to enter class until dress code infractions have been sufficiently resolved.
- Necessary dress code items can be purchased at the studio at all times throughout the year.

Please ensure all parts of your child's dance wear are clearly labeled - individual shoes, socks, underpants...you'll be amazed at the amount of lost property we generate!
